

HT-42

Comfortable and efficient

Technical specifications

Power consumption	400 W	Sound pressure level	82,1 dB(A)
Weight	2,8 kg	Sound power level	93,0 dB(A)
Blade cutting length	42 cm	Uncertainty K according to 2006/42/EC	3,0 dB(A)
Overall length	82,1 cm	Vibration acceleration	6,70 m/s ²
Tooth pitch	18 mm	Uncertainty K according to 2006/42/EC	1,5 m/s ²
Blade speed	1600 min ⁻¹		

- Powerful 400 W electric engine
- Chemical nickel plated blade
- Safe two-handed operation
- Compact design
- Transparent hand protector
- Well balanced
- Long life quality
- Incl. blade cover
