

# HT-52

Comfortable and efficient

## Technical specifications

Power consumption	400 W	Sound pressure level	82,1 dB(A)
Weight	3,0 kg	Sound power level	93,0 dB(A)
Blade cutting length	52 cm	Uncertainty K according to 2006/42/EC	3,0 dB(A)
Overall length	92,1 cm	Vibration acceleration	6,70 m/s <sup>2</sup>
Tooth pitch	18 mm	Uncertainty K according to 2006/42/EC	1,5 m/s <sup>2</sup>
Blade speed	1600 min <sup>-1</sup>		

- Powerful 400 W electric engine
- Chemical nickel plated blade
- Safe two-handed operation
- Compact design
- Transparent hand protector
- Well balanced
- Long life quality
- Incl. blade cover
