

EC-2414

For concrete, asphalt and steel

Technical specifications

Rated voltage	240 V	Wheel Ø	350 mm
Power consumption	2.400 W	Arbor Ø	20 mm
Engine	Electric motor	Sound pressure level	116,0 dB(A)
Weight (without blade, fuel, oil)	12 kg	Sound power level	103,0 dB(A)
Max cutting depth	125 mm	Vibration acceleration less than	2,5 m/s ²

- User and gear friendly blocking protection
- Sliding carriage included
- Protection cover with cutting depth limiter included
- 38mm connection for dust exhaustion
